WE MAKE THINGS EASY FOR YOU

1

Enroll your pet

Get an instant quote and enroll online – all in just three minutes. No physical exams required.

2

See a vet

Request a receipt that includes the date the symptoms appeared, diagnosis (cause of illness), charges for each medical item, and the pet's name.

3

File a claim

Upload your receipt along with other required documents, and answer a few simple questions. We will handle the rest.

4

Get paid

You will have your approved benefits directly deposited into your bank account.

* Applicable to medical spendings in network vet clinics for pets 1 year old or above at enrollment, and subject to the policy schedule.

[^] The lump sum cash benefit is in addition to the annual coverage amount. The benefit can only be claimed once during a pet's lifetime for his/her first cancer diagnosis as long as it is not a pre-existing condition.

[#] Applicable to cats and dogs aged one to nine years old, and those who have not previously suffered from specified critical illnesses (epilepsy, limb paralysis, and patellar luxation). The cash benefit can only be claimed once during a pet's lifetime.
