*Unlimited number of claims for all benefits covered. Pawfect Care allows any number of claims for any covered benefits (except for the cancer cash benefit which can only be claimed once) up to the plan's effective annual limit. Policyholders are eligible to file a claim after the waiting periods (28 days for general illnesses and accidents, and 180 days for hereditary conditions, orthopedic conditions, chronic renal disease and cancer).

WE MAKE THINGS EASY FOR YOU

1

Enroll your pet

Get an instant quote and enroll online – all in just three minutes. No physical exams required.

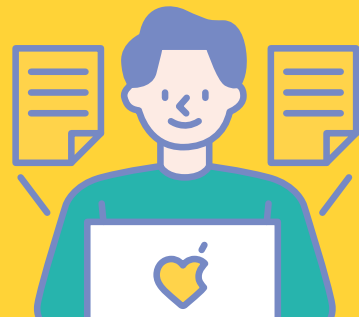

2

See a vet

Request a receipt that includes the date the symptoms appeared, diagnosis (cause of illness), charges for each medical item, and the pet's name.

3

File a claim

Upload your receipt along with other required documents, and answer a few simple questions. We will handle the rest.

4

Get paid

You will have your approved benefits directly deposited into your bank account.
